The **Illinois Pest Control Association** is committed to providing the **BEST** education. The law requires licensed pest control operators to have nine (9) hours of recertification and to take the continuing education hours in 3-hour increments. Thus, the Illinois Pest Control Association is pleased to offer you our summer recertification seminars.

Below are recertification seminars being offered this summer. Please note that if a topic is repeated in two different seminars, a technician may only attend one of those seminars for credit. Seating is limited so be sure to reserve your seat today by filling out the registration form and faxing it to 217-528-6545.

**JUNE 1, 2009**

**Partnership Program  
3 Hours Credit**

Registration thru IDPH • 217-782-5830**

**Toys for Tots  
Initiative**

**DONT FORGET!** The IPCA Members give back with our **Toys-for-Tots Initiative**. The program is simple:

- IPCA will accept donations of new and unwrapped toys (or cash donations) at all IPCA events and recertification seminars.
- At the end of the last seminar, one name will be drawn to receive a gift certificate for free registration for one IPCA 3-hour recert.
- All toys collected throughout the year will be presented to the U.S. Marine Corps during their winter toy drive.
